Mr. Kenneth W. Thompson  
Director of the Miller Center  
University of Virginia  
Charlottesville, VA 22904

Dear Ken:

As I told you on October 2, 1986, when I reappeared at the Miller Center, it always pleases me to be able to visit the University of Virginia. The entire academic setting at Charlottesville lends itself to the type of information exchange fostered by the Miller Center.

I am now thoroughly ensconced in my position as Director of Central Intelligence and was pleased to receive the bound volume "The Virginia Papers on the Presidency, Volume XXIII" containing the forum and conversations of 1986 and 1987 in which I was very honored to have taken part.

Thank you for forwarding to me this particular volume and my best wishes in your continuing efforts to create an environment for stimulating discussion at the Miller Center.

Sincerely yours,

/s/ Bill

William H. Webster  
Director of Central Intelligence
